

1st International Symposium on Glycosylphosphatidylinositol and its Deficiency:

Bridging Basic Research to Medical Frontiers in PNH and IGD

Sep.
10-11
2024

Special Lecture

Taroh Kinoshita
Osaka University, Japan

Invited Speakers

Morihisa Fujita
Gifu University, Japan
Manuel Muñiz
University of Sevilla, Spain
William A Prinz
UT Southwestern, USA
Kouichi Funato
Hiroshima University, Japan
Yasu Morita
UMass Amherst, USA
Lucio Luzzatto
University of Florence, Italy
Seishi Ogawa
Kyoto University, Japan
Shinji Nakao
Kanazawa University, Japan

Satyajit Mayor
NCBS, India
Kenichi Suzuki
Gifu University, Japan
Daniel Varón Silva
FHNW, Switzerland
Zhongwu Guo
University of Florida, USA
Dianfan Li
CAS, China
Shanthini Sockanathan
Johns Hopkins University, USA
Akiko Satoh
Hiroshima University, Japan
Qi Zhang
University of Tsukuba, Japan

Philippe Campeau
University of Montreal, Canada
Peter Krawitz
University of Bonn, Germany
Yoshiko Murakami
Osaka University, Japan

Luncheon Seminar¹

Norimitsu Inoue
Wakayama Medical University, Japan

Luncheon Seminar²

Jun-ichi Nishimura
Osaka University, Japan

Sweets Seminar

Yasutaka Ueda
Osaka University, Japan

Keizo Saji
Memorial Hall,
Nakanoshima
Center, Osaka
University

Registration

<https://square.umin.ac.jp/compl/GPI/GPIsymposium01.html> Until August 31, 2024

Organized by

The Japanese Association for Complement Research (JACR)
Laboratory of Immunoglycobiology, RIMD, Osaka University

Co-organized by
Supported by

Institute for Glyco-core Research (iGCORE), Nagoya University / Gifu University
Japan Agency for Medical Research and Development (AMED: 23bm1223019h0001, 22ek0109614h0001)
Chugai Pharmaceutical Co., Ltd., Novartis Pharma KK., Alexion Pharmaceuticals, Inc.

Chair
Secretariat

Yoshiko Murakami (Osaka Univ.) [TEL 81-6-6879-8329 E-mail yoshiko@biken.osaka-u.ac.jp]
Morihisa Fujita (Gifu Univ.) [TEL 81-58-293-3741 E-mail fujita.morihisa.h3@f.gifu-u.ac.jp]
